FAMILY HEALTH

Get started...

its as easy as 1, 2, 3

Create your FREE portal account using your smartphone and you can access your medical records before you leave our office!

Check your personal records anywhere, anytime using a computer, smartphone or tablet.

Make more informed health decisions for yourself and your family.

Save valuable time with online communication and scheduling tools.

Manage your entire family's healthcare in one spot.

Access your medical information on the go!

Download the free portal app at your Apple or Android store.

Enter FollowMyHealth in the search field.

1

Click the registration link in the email you receive from **noreply@followmyhealth.com**.

2

Create your portal login using a unique username and password.

3

Enter the invitation code provided by your medical organization and click "Agree" to the release of information.

You will receive two emails: one welcoming you to FollowMyHealth and one confirming your connections with Heart of Ohio Family Health.

You now have complete and secure access to FollowMyHealth: the latest advancement in personal health management!
