## Heart of Ohio Family Health Participates in GivingTuesday

**COLUMBUS, Ohio** — Heart of Ohio Family Health (HOFH) will celebrate GivingTuesday and join millions around the world participating in this global movement on November 30, 2021.

GivingTuesday is a global generosity movement, unleashing the power of people and organizations to transform their communities and their world. GivingTuesday will kick off the season of giving this year by inspiring people to give back.

HOFH works to respond to meet the needs of its patients and the community of Central Ohio. GivingTuesday donations will be used to provide more accessible and quality healthcare to the underserved.

“We provide exceptional, personalized care delivered with compassion by dedicated professionals,” CEO Dr. Buhari Mohammed said. “We are not just a health care provider, but a family that cares and nurtures each other. Regardless of their ability to pay, every patient receives quality care from our dedicated staff.”

People demonstrate generosity in many ways on GivingTuesday. Whether it’s helping a neighbor or stranger out, showing up for an issue or people we care about, or giving to causes we care about, every act of generosity counts. GivingTuesday has raised billions of dollars for critical causes around the world.

"GivingTuesday inspires people all around the world to embrace their power to drive progress around the causes they care about, not just on one day but throughout the year," said Asha Curran, GivingTuesday’s CEO, and co-founder. "With country and community leaders, millions of organizations, and countless givers of all kinds, GivingTuesday is creating a shared space where we can see the radical implications of a more generous world."
