Heart of Ohio Family Health names Krakoff Wellness Garden

COLUMBUS, Ohio — Heart of Ohio Family Health (HOFH) announced a significant donation to support the Wellness Garden at Heart of Ohio Family Health at James B. Feibel Center (Feibel Center), 5000 E. Main St, Columbus, Ohio 43213. The garden will be named the Beatrice and Louis Krakoff Wellness Garden (Krakoff Wellness Garden).

“HOFH is proud to offer a space for patients, visitors and staff to refresh, regroup and relax,” said Dr. M. Buhari Mohammed, CEO. “The Krakoff Wellness Garden is an important addition to our holistic approach to healthcare.”

A wellness garden is meant to help people connect and reconnect with green spaces and nature. They are areas meant to provide a place of refuge and promote healing by absorbing the soothing sights and smells of various plantings.

David Krakoff, a Bexley native who now lives and works in Washington D.C., explained his commitment to this initiative.

“My mother was an avid gardener and loved spending time with her flowers and plants. I understand the value of providing a safe space that promotes healing for the mind, body and spirit. The Feibel Center garden is a great way to honor my mother and father, and their dear friend Jim Feibel, and to support the Heart of Ohio Family Health mission which was so important to Jim.”

The Krakoff Wellness Garden was made possible by philanthropic support. A dedication of the space is planned for later in the spring.
